3. Course policy:

3.1 Mandatory observance of academic integrity by higher education students, namely:

- independent performance of all activities, tasks, forms of control provided by the working program of this course;
- references to the sources of information if ideas, developments, statements, information are used;
- compliance with the legislation on copyright and related rights;
- providing reliable information about the results of their own educational (scientific, creative) activities, used research methods and sources of information.

3.2. Recognition of learning outcomes obtained in non-formal education, if they correspond to the program learning outcomes, in the amount of 10 points, is allowed. Applicant for higher education applies with a statement, which is accompanied by documents, confirming the results of studies (diplomas, certificates, educational programs, etc.). In case of enrollment of a separate content module / modules of the discipline, the applicant is released from performing of the relevant tasks,

receiving the maximum score for them in accordance with the rating system of evaluation of this discipline.

3.3. Obtaining a minimum grade in the discipline is possible in case that the practical / laboratory works are performed in full and all types of control on each topic are completed.

3.4. In case of late performance of works (without good reasons) the assessment for the relevant type of works

is reduced by one point for each overdue academic week, but not more than the maximum number of points for this work.

3.5. Postponement of delivery/retaking:

- for good reasons (sick leave, academic mobility, etc.) is possible without reducing the maximum score for works in case of prior notice of the reason for the delay (confirmed by the relevant document (certificate)) and deadline for postponement the delivery of work to the instructor personally or through the head of the group;

- without good reasons the work is evaluated with a decrease in the maximum score and the grade in the discipline can not be higher than "satisfactory".

3.6. In case of detection of manifestations of academic dishonesty, plagiarism, the student is obliged to perform the task again in compliance with the established requirements and with a decrease in the maximum score.

3.7. Missed classes are subject to practice individually or by a group of students on the application and on terms, agreed with the teacher.

3.8. Assessment appeal is made on the application of the applicant by forming a commission of three persons from the lecturers of the department and the mandatory presence of the head of the department, which accepts and evaluates the work of the applicant, a grade for which the applicant appeals.
